

SDBEA 10-3-2017

Vote

- Mike Baldelomar and Joe Lemelin as Executive board members, none opposed, both on education committee

Community Outreach-

- Working with IFMA-warrior foundation (November 17th drop day)
 - Collect item, every 5 receive a raffle ticket
 - Asking education to be part of collecting items
 - Drop off at RSI
 - 6 weeks to collect
 - Possibly create registry on Amazon

Website-

- Currently working on transition from existing to Timberlake
- Sent over all applications
- Numerous different layouts to choose from, will collaborate to come up with a unique design
- Flyer templates will be available

Education-

- Introducing a more modern template
- Sent out flyer to inquire what other engineers would be interested in learning
- Optimization class on Oct. 10th
- Last course for the year will be electrical safety
- BOC I starting today, 15 members received scholarship
- Tuesday the 10th is a BOC continuing education opportunity
- Possible suggestion-Recipients of scholarship need to complete their commitment before being eligible for BOC II

Treasury-

- By sponsoring members we saved the 15 participants \$18,000 between reduced costs of tuition and scholarship
-

Events-

- X-mas event Dec. 5th, Tom Hams Lighthouse (christmas vacation theme)
- Trap shooting, not many confirmed but lots of promises
- EXPO-Del Mar Fairgrounds, will have our own booth

- Looking for date for annual meeting, possibly Feb. (Theme TBD)
- U-club for an allied club member event (Barry reaching out to Barbara)
- Seaworld-Second week of November (have not received confirmation from Mike)
- Salk is out, wants to charge \$450 for tour
- Intuit-Melanie trying to coordinate
- Golf tournament out in April
- Many other ideas being introduced: I-fly, boat rentals, beer tour, wine tour

Partner Sponsors-

- Bills out to allied sponsors
-

Membership-

- Mission Valley Pipe and Supply has been approved as allied member
- Looking to recruit other companies we are familiar with: Grainger, US air conditioning, Windustrial, HD Supply, waxie,

Secretary-

- No update at this time

Communication Committee-

- Highlite 2 sponsors each month
- Need information provided to Sabrina to update our page from any/all committees
- Trying to get more exposure on social media
- Get property managers more involved as they are typically the people who nominate their engineers
-

New Business-

- Still needing more engineers to be part of the SDBEA
- Participate in events as well as committee
-
